SC-Z55-S

Key **Features**

Product **Description**

The ViewSonicSC-Z55 Zero Client is the perfect solution for companies seeking a seamless desktop experience with ultra-high security and reliability in VMware-based networks. This is a true Zero Client device and features no local memory or moving parts for the ultimate in energy savings and reliability. Based on the TeradiciTera 2321, with hardware accelerated PCoIP, the certified VMware design guarantees performance and compatibility in your network. Dual video outputs provide flexibility for supporting dual 1080p digital displays, and the eco-friendly design uses up to 90% less energy consumption than standard PCs.The SC-Z55 is also a space saver—its 0.6L form factor easily attaches to your VESA-ready monitor with an included VESA mounting bracket. ViewSonic's Zero Clients are the smart choice for optimizing your virtual desktop deployment.
