SC-T45-S

Key **Features**

Product **Description**

The ViewSonic SC-T45 Thin Client PC uses the powerful Intel Atom N2800 with Windows 7 Embedded Standard OS. The SC-T45 is optimized for all of the major remote networking protocols including Citrix ICA/HDX, VMware PCoIP, and Microsoft RemoteFX—making it a versatile virtualization solution with endless possibilities. The SC-T45 has the horsepower needed to handle a large portion of local processing and graphics rendering, and the flexibility to operate as a stateless device in a VDI-based infrastructure. The SC-T45 is also an energy and space saver, consuming only 14W of power and easily attaching to your VESA-ready monitor with the included VESA bracket. The SC-T45 Thin Client is the perfect solution for companies seeking the benefits of true PC-like performance, along with simplified management and lower total cost of ownership. ViewSonic's Thin Clients are the smart choice for optimizing your virtual desktop deployment.

Specifications

More Information

UPC	766907691610
CPU Processor Type	Intel Atom N2800 Dual Core
CPU Processor Speed	1.87 GHz
Graphic Chipset	Intel NM10
Operating System	Windows® Embedded Standard 7
Supported OS	N/A
Protocols	Citrix ICA/HDX 13.1 , VMware View 5.01, Microsoft RDP 8.0 with RemoteFX, PCoIP (software accelerated)
