Product **Description**

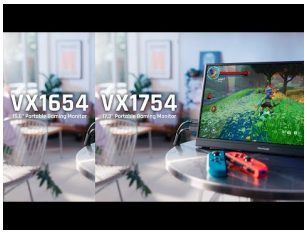

Enjoy one of the largest portable screen sizes for on-the-go gaming with the ViewSonic® VX1754 17.3" portable monitor. Featuring a stunning anti-glare Full HD display, powerful 144Hz refresh rate, and AMD FreeSync™ technology, the VX1754 portable monitor harnesses all the specs of a desktop setup within a convenient, lightweight design. Compared to our 16” portable gaming monitors, the VX1754 provides over an inch of extra screen space for more immersive viewing. Experience crisp graphics, tear-free visuals, and a responsive gameplay experience from just about anywhere. When you’re done playing, use the VX1754 portable monitor with your laptop or tablet to help double your screen space and turbocharge your productivity. USB-C connectivity means that users can connect their favorite devices and enjoy video, audio, data, 60W of charging, and two-way power delivery with just a single cable. Users can connect even more of their favorite devices with a mini HDMI port. With a weight of just 2 lbs. and a profile slimmer than a deck of cards, this portable monitor slips easily into bags, briefcases, or backpacks.

Specifications
