Product **Description**

The ViewSonic® VA708a is a 17" monitor ideal for legacy and customized applications that require a 5:4 aspect ratio. With 1280x1024 resolution, sRGB color correction technology, and a fast 5ms response time, this monitor delivers vivid and accurate colors for incredible front-of-screen performance. Featuring a matte finish design, this 17" monitor can fit on any desktop, while a VESA-compatible mount provides additional convenience and flexibility. In addition, Energy Star, and an energy-saving Eco-mode setting, offers solid performance while delivering low TCO perfect for enterprise and government use.
