NMP-800-S

Key **Features**

Product **Description**

Enhance collaboration and computing power with the ViewSonic® NMP-800 network media player. Simply plug this slot-in PC module into compatible digital signage displays to experience high-performance PC functionality for an all-in-one Windows-compatible solution. With a powerful Intel® processor, the NMP-800 provides the computing power ideal for educational, corporate, or wayfinding environments. This high-performance plug-in also features an integrated Windows® 8 Embedded Standard operating system for touch functionality, support for Full HD audio, video, and graphics, as well as versatile connectivity with RJ45, DisplayPort, and two USB 2.0 ports.
