Key **Features**

Product **Description**

For extreme reliability and stunning HD multimedia playback, the ViewSonic® SC-A25X media player delivers dynamic messaging to large format displays. Pre-installed with DisplayIt!Xpress digital signage software, the SC-A25X lets you create impactful, customized messaging with ease. Just connect the media player to a display via HDMI, then you can produce, schedule, and load content to the display from a PC or notebook. That's it! Integrated 4GB eMMC, Micro SD (Max 32GB) memory, an USB port, and a Micro SD card slot provide high definition content playback when you need it most. Ideal for retail, hospitality, and corporate messaging, the ViewSonic® SC-A25X delivers world-class signage without the learning curve.
