- One single cable handles everything with no bulky adapters or desk clutter
- Works with professional software like Photoshop, Illustrator, and Zoom

Product **Description**

The ViewSonic® WoodPad™ 7 is a versatile drawing pad specifically made for illustrators, graphic designers, and other digital artists. Crafted from renewable and lightweight bamboo, the 7" WoodPad delivers an eco-friendly and compact design that can be easily transported from home to office, to lecture halls, coffee shops, and wherever creativity may take you. Each WoodPad also features distinct and natural bamboo markings, giving you a stylish, one-of-a-kind drawing pad. With extremely precise pen accuracy, the WoodPad provides a familiar pen-and-paper drawing experience so you can be confident that your sketches appear onscreen just as you intend.
