Product **Description**

Featuring 1280x720 WXGA resolution and 3,300 lumens of brightness, the ViewSonic® PS700W ultra-short throw projector is an ideal projection solution for education environments. An ultra-short throw lens enables the projector to be placed just inches away from a wall or screen, making it flexible enough to be ceiling-mounted or simply placed on the tabletop. With horizontal/vertical keystoning, the PS700W makes installation a

hassle-free experience. PortAll®, a neatly designed and enclosed HDMI/MHL dongle compartment, features an integrated micro USB cable for easy charging – allowing teachers to present interesting lesson content via wireless dongles and PC sticks. Crestron and AMX certification delivers network management capabilities, while exclusive SuperColor™ technology offers a wider color range for true-to-life images in any classroom.

Specifications

More Information	
UPC	766907904215
Light Source	DLP Lamp
