Product **Description**

Designed as a companion device for the ViewBoard® line of interactive flat panel displays, ViewBoard Direct allows you to bring your screen directly into a myViewBoard canvas, with no software required. Just attach the ViewBoard Direct to any ViewBoard interactive display, large format display, or projector. Then you can plug your device (cellphone, tablet, laptop, etc.) into the display and immediately begin streaming and sharing content. ViewBoard Direct even provides rich whiteboarding tools such as annotation, screen capture, and recording for an enhanced and more engaging presentation experience.
