PD-IFP-004

Key **Features**

• Hands-on Training

• Customized Lessons

• Compatible with Multiple Operating Systems

Product **Description**

ViewSonic provides On-site Professional Development training to help educators optimize their ViewBoard display and myViewBoard software. Hosted by a ViewSonic Authorized Trainer, this 3-hour session is customized based on grade level and subject matter. Through a series of lessons and hands-on activities, participants develop the necessary skills to create their own lessons, and gain the confidence to immediately apply this training in the classroom.
