LB-STND-005-3-S

Key **Features**

Product **Description**

Featuring smooth, motorized lift and tilt, the ViewSonic® LB-STND-005-3 motorized trolley cart securely accommodates ViewSonic® 55” to 86” interactive ViewBoards®, or any display weighing up to 264 lbs. An integrated RFID remote makes controlling the stand easy from virtually anywhere in the room, while the integrated physical button control comes in handy should the remote control be misplaced. The stand can be raised, lowered, and tilted with ease to create optimal viewing conditions for any group of users. Tilt just a bit for customized viewing, tilt a bit more for a drafting table feel, or position horizontally in tabletop mode* to create an interactive learning table or huddle space. *Tabletop mode not recommended for displays greater than 65" diagonal

Specifications
