Product **Description**

Featuring a built-in 2MP camera, the ViewSonic® VG2440V monitor is perfect for collaboration and video conferencing right from your desktop. The integrated camera captures high-definition video and features 5-degree adjustability so you can find the perfect angle for your video conference. The camera also features a privacy shutter that ensures the camera is on only when you want it to be on. An integrated microphone and speakers round out the full video conferencing capabilities of this monitor. The 24” (23.8” viewable) monitor itself features a Full HD SuperClear® IPS panel for vivid visuals, and a full ergonomic stand for comfort and productivity. Integrated HDMI, DisplayPort and VGA ports make it easy to connect whether you are set up at home or at the office.
