Key **Features**

- Bluetooth Compatible
- Omnidirectional Four-Microphone Array
- Universal Conferencing Compatibility
- Quick Reverse Charging
- Clearer Conversations
- Background Noise Filtering

Product **Description**

Experience meetings differently with the ViewSonic Converse (VB-AUD-201) Conference speakerphone. Featuring 360 degrees of crystal-clear, omnidirectional sound and four integrated microphone arrays with built-in noise reduction, ViewSonic Converse speakerphones put you right in the middle of any conference room call. With a built-in battery, 24-hour call time and an ultra-portable design, this flexible conference speakerphone can be placed just about anywhere. Pair two units together for greater volume, more microphones and greater voice pickup by adding in a 4K UHD camera (VB-CAM-201) for the ultimate video conferencing solution.

Specifications
