Product **Description**

The ViewSonic® X1 is a lamp-free, high brightness smart projector that delivers incredible Full HD entertainment for any home theater. Powered by 3rd generation LED technology, the X1 features an impressive lifespan of up to 30,000 hours and eliminates the need for frequent replacement of lamps with toxic mercury. With 3,100 LED lumens of brightness and 125% Rec. 709 color accuracy, the X1 delivers bright and stunning cinematic colors for big-screen entertainment. Dual Harman Kardon speakers deliver powerful, room-filling sound ideal for movie nights, while Bluetooth compatibility lets you stream music directly from your smartphone or headphones for personal entertainment. Embedded Wi-Fi connectivity enables screen mirroring directly from smart devices to the big screen, making content streaming easier than ever. And with vertical lens shift, 1.3x optical zoom, H/V keystone and 4-corner adjustment capabilities, installing this projector is not only a breeze, but an upgrade to any home theater.

Specifications
