Product Description

Ideal for education environments, this digital podium bundle includes a myPodium™ ID2456 24" interactive pen display and a NMP760 Chromebox that are ideal for a digital podium setup. Simply connect the myPodium™ ID2456 to the Chromebox and an existing classroom projector or large format display. The myPodium™ ID2456 interactive pen display allows teachers to annotate directly on their presentations, sketch ideas and manipulate content. Meanwhile, the students can view the lesson on the connected projection screen or digital display at the front of the classroom.
