Product **Description**

Level up your gaming setup to a bigger, brighter entertainment extravaganza with the LX700-4K gaming projector. Featuring 3,500 ANSI lumens of stunning brightness, the ViewSonic "Designed for Xbox" 4K laser projector lets you immerse yourself in visually stunning movies and games - even in environments with high ambient lighting. Play through your favorite content on screens up to 300" or binge on a big-picture cinematic experience from the comfort of your home. Designed in partnership with Microsoft, this high-brightness projector delivers Xbox-native refresh rates and resolutions for a gaming experience that can't be beat. Accelerate your gameplay with 1440p resolution at a 120Hz refresh rate for the perfect balance between visual perfection and accuracy, or put the pedal to the metal by taking this projector to its maximum 240Hz refresh rate. Enjoy an enhanced, maintenance-free lifespan of up to 30,000 hours without ever needing to replace your lamp. Plus, with other features like V lens shift, 1.36x optical zoom, H/V keystone and four-corner adjustment, you can effortlessly build the big screen gaming and entertainment setup of your dreams.

Resolution	Refresh Rate
1080p	240Hz
1440p	120Hz
4K	60Hz
