MPC310-W31-TU - COMPUTING ENGINE MINI-PC FOR MICROSOFT TEAMS ROOMS, HDMI OUT, USB-C, USB 3.0/2.0, LAN, BLUETOOTH 5.3

Key **Features**

Product **Description**

The ViewSonic® MPC310-W31-TN Computing Engine is a Microsoft Teams Rooms certified* device designed to boost collaboration in any meeting space. Running on Windows 11 IoT Enterprise edition, it seamlessly connects to your Teams Rooms console, ensuring robust performance, security, and connectivity. Equipped with secure mounting, a lock slot, and port access security measures, it prevents access by unauthorized users. Experience intelligent audio and video features, and flexible layout options, delivering an inclusive meeting experience. Elevate your meetings with ViewSonic's Microsoft Teams Rooms certified compute system – the ultimate solution for optimal meeting spaces.

*Certification for Microsoft Teams pending - expected completion by second quarter, 2024.

Specifications
