MRC1010-TN - 10.1-INCH TOUCH CONSOLE FOR MICROSOFT TEAMS ROOMS

Key **Features**

Product **Description**

The ViewSonic® MRC1010-TN Touch Console is a Microsoft Teams Rooms certified* device that delivers easy meeting scheduling and control. Effortlessly initiate, join or manage meetings with a single touch on the 10.1" anti-glare touchscreen. Gain instant insights into room availability and schedule future sessions directly on the controller. Its versatile design allows for wall mounting or placement on a stand, depending on your meeting room layout. Plus, enjoy a familiar and consistent Teams experience across all devices, with crystal-clear audio and video for impactful collaboration. The MRC1010-TN simplifies meeting management, boosts productivity, and fosters seamless collaboration, making it the ideal solution for modern meeting spaces.

*Certification for Microsoft Teams pending - expected completion by second quarter, 2024.
