Product **Description**

The ViewSonic® ViewBoard® IFP105UW is a 105” interactive display with next-generation whiteboard technologies ideal for collaboration in corporate environments and higher education. With seamless integration to Microsoft Teams Rooms and optimization for Front Row, this ViewBoard display promotes inclusivity and engagement for any of your team huddles, meetings and brainstorming sessions. Whether team members are in the meeting room, on video conference, or participating via chat, everyone can be seen and heard. Plus, with its ultrawide 21:9 aspect ratio and 5K resolution, this display delivers a huge interactive touchscreen and stunning visuals to boost collaboration and productivity. The high-accuracy touchscreen also features intelligent palm recognition technology for an intuitive digital whiteboard experience. A 47W soundbar with integrated microphone delivers optimal audio for everyone in the meeting room, as well as those calling in remotely.

Specifications
