Product Description

The ViewSonic® VX2776-smhd is a sleek 27" Full HD monitor with a modern and minimalist style perfect for home use. With SuperClear® IPS Panel technology, this monitor offers best-in-class screen performance with ultra-wide viewing angles. A premium ID includes an ultra-slim profile, unique desktop stand, and a sleek edge-to-edge frameless design, that when combined with vivid 1920x1080 resolution and dual speakers, deliver an immersive viewing experience for home entertainment and multimedia applications. HDMI, DisplayPort, and VGA inputs offer flexible connectivity options for both computing and gaming environments, while ViewSonic's exclusive ViewMode™ feature provides intuitive presets for optimized screen performance in different applications. In addition, Flicker-Free technology and a Blue Light Filter help to minimize eye strain from extended viewing periods. With ViewSonic's industry-leading 3-year limited warranty, this monitor is a solid long-term investment that combines style and high performance for the home.
