VERSATILE VIDEO 46" DIGITAL SIGN BOARD

## Impactful High-Definition Digital Poster

### Overview

ViewSonic's new ePoster products make it easy to replace those old backlit printed signs with new impactful video messaging on high definition digital posters. These sleek new displays feature versatile input connections for easy content uploading or adding your favorite media player. Information is disseminated through the ePoster's video connectors via a media player or USB thumb drive. ViewSonic's new ePoster products are available in various sizes and slim profiles fit in beautifully with their limited footprint. Great for announcing special promotions, computer-generated information or communicating multimedia with photos, audio, signage, and video.
