

ViewSonic® TeamJoin™ Solutions Certified for Microsoft Teams Rooms

Comprehensive Video Conference Solutions for Seamless Collaboration

ViewSonic TeamJoin makes collaboration effortless, enabling smooth and productive meetings with just a single touch. Its intuitive design and dedicated service support ensure seamless, reliable performance. From small huddle spaces to large conference rooms, TeamJoin simplifies every meeting setup.

▶ Effortless Comprehensive Solution

Experience seamless Microsoft Teams Rooms meetings with TeamJoin's one-touch access, effortlessly integrating hardware and software for a streamlined experience.

▶ Better Meetings, Simplified

Join meetings, share content wirelessly, and engage in discussions as if you're in the same room, all powered by high-quality audio-visual performance.

▶ Hassle-free Setup, Reliable Performance

Enjoy a smooth, reliable experience with TeamJoin's intuitive design for easy setup and ViewSonic's full-service support.

TeamJoin TRS10-UB

ViewSonic Services for TeamJoin

Maintain seamless operation of your Microsoft Teams Rooms with reliable, expert support. Designed to minimize downtime and maximize efficiency, our comprehensive service offering ensures your meetings run smoothly without interruptions.

Direct Access to Technical Assistance

Access seamless, direct support from experts over the phone, ensuring quick issue resolution and uninterrupted use of your Microsoft Teams Rooms.

Dedicated Service Managers

Benefit from personalized support in your preferred language by a dedicated service manager who provides tailored, expert assistance for a hassle-free experience.

*Disclaimer: Availability of localized support may vary by region. Please contact your local sales representative for details.

Comprehensive Hardware Coverage

Enjoy peace of mind with a complete hardware coverage. Minimize downtime with quick device replacement services or on-site support to ensure smooth operations.

*Disclaimer: Service offerings may differ by country. Consult your local ViewSonic contact for specific terms and conditions.

Strategic Deployment Planning

Get expert guidance with a deployment plan tailored to your needs, ensuring seamless implementation and maximizing the long-term value of your Microsoft Teams Rooms setup.

Commitment to ESG and Sustainable Innovation

Drive sustainability with repairable designs and extended spare part availability, reducing carbon footprints and supporting long-term ESG goals.
