

ViewSonic® TeamJoin™ Solutions Certified for Microsoft Teams Rooms

Affordable One-touch Video Conferencing for Every Meeting Room

Start your meeting with a single touch using ViewSonic TeamJoin solutions, designed for instant and intuitive collaboration without the hassle of complex setup. The TeamJoin TRS10, available with a 4K video bar system option, enhances communication, fosters collaboration, and promotes inclusivity for teams of all sizes, regardless of location. Seamlessly integrated with ViewSonic displays, TeamJoin delivers a high-quality audio-visual collaboration experience for any Microsoft Teams Rooms meeting space.

▶ Easy to Use

Simplify your meetings with an integrated, easy-to-use solution that replaces the need for multiple devices.

▶ Easy to Invite

Quickly invite attendees using built-in calendar integration, without relying on third-party apps.

▶ Easy to Join

Join meetings effortlessly with one-touch access and seamless support for platforms like Zoom.

▶ Easy to Share

Easily share content using an HDMI ingest cable or wireless casting.
